## GENERAL NOTES

- All dimensions are in feet & inches and levels in feet unless specified otherwise.
- Do not scale the drawing; follow written dimensions.
- All dimensions are unfinished dimensions unless specified otherwise.
- Any discrepancies should be brought to the notice of the Architect prior to execution of job / procuring materials at site.
- This drawing is the property of AS Architects and should not be reproduced, copied, handed over to a third party or used for any purpose other than for which it has been issued.
- This drawing is to be read in conjunction with all relevant structural & services drawings.
- The Contractor shall verify all existing dimensions and site conditions prior to commencing work or fabrication and shall immediately notify the Architect of any variance from the drawings.
- All work shall be executed in accordance with the specifications, which shall take precedence over the drawings regarding material type, quality, and installation standards.
